Intro: (**G Em Am C**) x2

Verse 1:

G
she s been through heartbreak hell
Em **Am** **C**
more times than she can tell anyone
G
she goes through all her days
Em
pretending like everything s ok
Am **C**
puts on a show so no one ll know
Am **D**
every night before she goes to bed
Am **D**
she looks up into the sky and then

Chorus:

G **Am**
she makes a wish on a broken star
C **D** **G**
for someone to come and be her light through all this darkness
Am
she says a pray that she can find
C **D**
a beginning on this road of life
Am **D**
why do other guys have to lead her on
Am **D**
I want her to know I d be the north star to lead her home
G
from another try

(**G Em Am C**)

Verse 2:

G
She s just your average girl
Em
livin in a mixed up world
Am C
everyday seems the same
G
you know she tries so hard
Em
but doesn t seem to get to far
Am C
in her mind nothings alright
Am D
for every problem she ever has
Am D
she does the only thing she thinks she can

CHORUS

(**G Em Am C D**) x 2

NEW BRIDGE

Em Am G F#/G Em
and yeah she looks up with the moonlight shining upon her pretty blond hair
Em Am D
no wish can ever be made for what s already there

Outro:

G Am
she s every wish I ve ever made
C D
every time I ve stopped to thank god for everyday she s
G Am
all the answers to my prayers
C D
the air I breath the words I speak my every stare
Am D
I wander if she even see s
Am D
she s where i wanna be

(**G Em Am C**) - until fade out
