Dm/A

Im not your high school crush, your first love, your first kiss

Guy that crossed you off of his list

Dsus2intro

Im not the red taillights that left you behind, again and again

Dm/A

Im not your Tennessee pre-med big man

Promised you a ring, and took anothers girl hand

Dsusintro

Whats it gonna take to make you understand

Im not that man

D

This is me now,

Baby dont doubt

D(middle finger to low E)

The love I can give to you

You gotta know

Bm

G

I aint the same ol let you go run you around

D

A

String you along, do you wrong, like theyve done you til now

Bm

G

Dsus2

Girl after all youve been through I knew itd be a matter of time

G

D

G

D

G

Til all those goodbyes made you mine

Dm/A

Ive been your late night call, your shoulder to cry on

Out on the highway listening to sad songs

Dsus2intro

Talk all night bout stupid things, makin you smile

D

Ive been right here,

All of these years

D (middle finger to low **E**)

I am your man,

By now, you ought to know

Bm

G

I aint the same ol let you go run you around

D

A

String you along, do you wrong, like theyve done you til now

Bm

G

Dsus2

Girl after all youve been through I knew itd be a matter of time

G

D

Til all those goodbyes made you mine

G

D

No more lonely nights starin at your cellphone

G

D

No more clinging to a love so cold

G

D

With me youll never have to be alone

Bm

G

I aint the same ol let you go run you around

D
