

**Lifetime With You**  
**Juan De La Cruz Band**

**G**

I tried to respect you as a friend.

**D**

I told you time and time again.

**C D G**

That the love for you girl is in my heart.

**D**

But things are over now and it just had to end

**C D G**

somehow, and so we are both hurt now.

( Chorus )

**C D G Em**  
Seems to me girl, I spent a lifetime time with you.

**C D G Em**  
Remembering all the things we used to do.

**C D G Em**  
I love you girl and I just want you to know,

**C D G**  
but I won't let it show.

**G D C**  
It's been a few months now since you been away but

**D G**

I still think of you girl every day.

**G D**  
And I just turned to my friend, when they're burned

**C D G**

feeling down, I am just to use too you girl being around.

**C D G Em**  
Seems to me girl, I have spent a lifetime time with you.

**C D G Em**  
Remembering all the things we used to do.

**C D G Em**  
I love you girl and I just want you to know,

**C D G**  
but I won't let it show.

**G D**  
I knew that things had to end so soon. I just thought we

**C D G**

end it now, before we heart each other even more.

**G D**  
But I'll always love you girl , and it will always be there ,

**C D G**  
I'll love you like I loved you before.

**C**            **D**                    **G**                    **Em**  
Seems to me girl, Iâ€™ve spent a lifetime time with you.

**C**            **D**            **G**                    **Em**  
Remembering all the things we used to do.

**C**            **D**            **G**                    **Em**  
I love you girl and I just want you to know,

**C**    **D**            **G**  
but I wonâ€™t let it show.
