

Something Good
Juan Luis Guerra

C#m7(9)	C#m7(6)
Something good is coming to my life	
C#m7(9)	C#m7(6)
I don't know what it is, don't know what is like	
C#m7(9)	C#m7(6)
But I, I can feel it in my heart tonight	
C#m7(9)	C#m7(6)
Something good is coming to my life	

C#m7(9)	C#m7(6)
Something good is coming to my home	
C#m7(9)	C#m7(6)
It's calling out my name and knocking on my door	
C#m7(9)	C#m7(6)
and I perfumed my bed with myrrh and cinnamon	
'cause	

C#m7(9)
Something good is coming to my heart
Something good is coming to my home

Chorus

Bm	F#m
But I've been waiting a long time	
	A
dreaming of your love	
	Esus4
much better than wine	

I've been waiting so long	
Bm	F#m
I've been searching for your lips	
	A
whispering a kiss	
	Esus4
shinning in your smile	

I've been waiting so long

C#m7(9)	C#m7(6)
Something good it lighting up my soul	
C#m7(9)	C#m7(6)
I don't know how it came	
C#m7(9)	C#m7(6)
I don't know where it goes	
C#m7(9)	C#m7(6)
But I, I can tell you is much better than gold	

C#m7(9)

Something good it lighting up my soul

Something good it lighting up my soul
