D# F  
Ana Paula se fué  
Gm  
Ana Paula ya no está  
Cm  
And I may not believe  
D#  
That she stayed for such short time  
F  
And right now I am sure  
Gm  
She is happily laughing now  
Cm  
And she saw what it was  
D#  
Our complicated lives  
F  
And somehow inside me  
Gm  
I fell a beautiful peace  
Cm  
Even though many plans  
D#  
Seem completely unfulfilled  
F  
Many time probably  
Gm  
Obviously Im quite naive  
Cm  
You achieved what many  
D#  
Never ever ever will  
F  
Instantly with yourself  
Gm  
You implanted it as seed  
Cm  
Of your love and your traits  
Gm Cm  
That no one will ever be

coro:

D# G#  
Oh, my darling life down here is quite firm  
D# G#  
Months are longer than they used to be  
D# G#  
And the silence you left in the wooden house  
D# G#  
Seems to starren to disappear  
D# Cm  
But I have a secret secret weapon  
G#  
Very low budget  
A# D#  
Highly effective
