

Ana Paula

Juan Son

Bueno, esta cancion de Juan, en lo particular es de mis favoritas, espero les guste.

E F#
Ana Paula se fué
G#m
Ana Paula ya no está
C#m
And I may not believe
E
That she stayed for such short time
F#
And right now I am sure
G#m
She is happily laughing now
C#m
And she saw what it was
E
Our complicated lives
F#
And somehow inside me
G#m
I fell a beautiful peace
C#m
Even though many plans
E
Seem completely unfulfilled
F#
Many time probably
G#m
Obviously Im quite naive
C#m
You achieved what many
E
Never ever ever will
F#
Instantly with yourself
G#m
You implanted it as seed
C#m
Of your love and your traits
G#m C#m
That no one will ever be

coro:

E A
Oh, my darling life down here is quite firm
E A
Months are longer than they used to be
E A
And the silence you left in the wooden house
E A
Seems to starren to disappear
E C#m
But I have a secret secret weapon
A
Very low budget
B E
Highly effective
E C#m
But I have a very secret weapon
A
Very low budget
B E
Highly effective
E
And that is that I love
G#m
La ra la ra la~♪
