Letra y acordes de Dreamer Deceiver

(Lyric and music by Al Atkins, Rob Halford, K.K. Downing, Glenn Tipton)

MIm RE DO SIm7 MIm  
Standing by my window, breathing summer breeze  
RE DO SIm7 MIm  
Saw a figure floating, neath the willow tree  
RE SOL MIm RE SOL MIm  
Asked us if we were happy, we said we didn t know  
RE SOL LAm MIm RE MIm  
Took us by the hands and up we go.

RE MIm  
We followed the dreamer  
RE MIm RE  
through the purple hazy clouds  
MIm RE MIm RE  
He could control our sense of time  
MIm RE MIm RE  
We thought we were lost but no matter how we tried  
MIm RE MIm RE  
Everyone was in peace of mind.

MIm RE MIm RE  
We felt the sensations drift inside our frames  
MIm RE MIm RE  
Finding complete contentment there  
MIm RE MIm RE  
And all the tensions that hurt us in the past  
MIm RE MIm RE  
Just seemed to vanish in thin air.

MIm RE MIm RE  
He said in the cosmos is a single sonic sound  
MIm RE MIm RE  
That is vibrating constantly  
MIm RE MIm RE  
And if we could grip and hold on to the note  
MIm RE MIm RE  
We would see our minds were free...oh they re free.

MIm RE MIm RE MIm RE MIm RE  
We are lost above Floating way up high  
MIm RE MIm RE MIm

If you think you can find a way  
RE MIm RE  
You can surely try

MIm RE MIm RE
