

Night Comes Down
Judas Priest

Letra y acordes de Night Comes Down

(Lyric and music by *Judas Priest?*)

Intro

MIm RE DO RE SIm
MIm RE DO RE SIm
MIm

MIm7 MIm DO RE MIm RE
In the last rays of the setting sun

MIm7 MIm

And the past days, yeah

DO RE SI

That s where our memories run

and all of those times Still race through my mind

LA DO SI

I m shattered inside to find.

MIm DO
When the night comes down

MIm DO RE

I m here all alone

MIm DO

When the night comes down

MIm DO

There s nowhere to go.

MIm7 MIm
Call me and I ll wait till the Summer

DO RE MIm RE

You never understood

MIm7 MIm

And I will wait forever

DO RE SI

For a love that s only good

As the light starts to dim the fear closes in

LA DO SI

And the nightmare s begin.

MIm DO
When the night comes down

MIm DO RE

I m here all alone

MIm DO

When the night comes down

MIm DO RE
There s nowhere to go.

SI DO DO# RE MIm
Oh no! You won t be there tomorrow

SI DO SOL FA#
Oh no! You say it isn t true

SI DO DO# RE MIm
I can t take this pain and sorrow Oh!

SI DO SOL
Can t you see my heart is broken in two?

MIm DO RE MIm DO RE MIm SI

LA DO SI
I m shattered inside to find...

MIm DO
When the night comes down

MIm DO RE
I m here all alone

MIm DO
When the night comes down

MIm DO RE
There s nowhere to go.

MIm DO
When the night comes down

MIm DO RE
I m here all alone

MIm DO
When the night comes down

MIm DO RE
There s nowhere to go.
