Falling Home by Jude Cole  
Written by Jude Cole  
From the album Falling Home  
Independent release, 2000

**Em C G D**

**Em**

Fields of patience

**C**

Mountains of pain

**G**

**D**

Innocence fell from this runaway train

Planets of mercy

Great skies of hope

Send me an angel

With a holy rope

**Em C G D**

Daydreams and wishes

Tarnish and rust

Truth is here somewhere coughing up dust

Crawl through the madness

Climb up the cracks

Wisdom is speaking from the zodiac

**C**

**Em**

It says pull back the lens on the earth's great design

**Am**

**D**

And I'm summer rain gently falling home

**C**

**Em**

Leap from a star into the great unknown

**Am**

**C**

Forgiveness is a high jump

**Em C G D**

And we're falling home

Someone got a lawyer

Someone got a friend

Looks like we're human

Til the mortal end

I'll take all the green trees

And you can have the sun

If this land is our land  
Then there s some work to be done

So pull back the lens on the earth s great design  
And I m the autumn leaves weightless, falling home  
Race through the clouds past the gravity zone  
Forgiveness is a swan dive

CHORUS:

**G**  
And we re falling home  
**D**  
we re falling home  
**Am C**  
we re falling home, yeah yeah  
**G**  
Falling home  
**D**  
We re falling home  
**Am C**  
We re falling home, yeah yeah

**Em C G D (x2)**

So pull back the lens on the earth s great design  
And I m Aristotle waiting by the phone  
Count the years we held the hurt inside  
Forgiveness is a back flip

CHORUS

**G D Am C, G D Am C Em**
