g--7p\*-----7p\*-----4p\*-----7p\*-----  
a--5p\*-----4p\*-----2p\*-----5p\*-----  
e-----

This is the room, where I sat and waited.....Till the morning

Then, with same riff:

Watching the door,  
that you slammed so hard...  
It broke the windows

e-----  
b-----  
d-----7-----4-----7-----4-----  
g-4-----7-----4-----7-----4-----4-----  
a-4-----5-----2-----5-----4-----2-----  
e-2-----2-----

Up...And down...I ve climbed these walls. It seems I m trapped inside this

Chorus:

Play same riff as intro while singing:

House full of reasons....I should be moving on  
You had me believing...this is the way love goes  
off and on among....normal people

Verse 2:

Down in the hall  
Pictures of a happier couple  
Just hang on the wall  
And smile away through all the trouble

Side...to side  
The clock on the wall  
Reminding me by the hour

Chorus

Bridge:

e-----  
b-----  
d---7-----4-----7-----  
g---7-----4-----4-----7-----  
a---5-----2-----4-----5-----  
e-----2-----

All day....when its da-a-a-ark! It seems theres nothing here but (echo)

Chorus.....fade out.

Thats it. Any additions or corections send to \*

Enjoy!
