Hope you can follow this. Jude capo s at the first fret. Most of the chords are just open chords. I ll put in parethesis the fret numbers for each string and I ll give the chords for each 4-beat measure. Sometimes there s more than one chord per measure and I ve noted that with a -> to indicate a shift. Just listen to the recording for timing.

Intro:

E (022100)
E6 (022120)
