G G/F G/Db G/D C D
 Save me from the dark of night
 I m drifting like a satellite
G F C G F C
 Miles from understanding where this love will lead
G F C Am Dsus4 D
 Heaven let your light fall down on me

G F C G F C
 Now I m overthinking, love can t be this hard
G F C Am D G
 We seem to be spinning worlds apart

Sometimes truth is hard to touch
 We give too little, expect too much
 Promises forever, hiding in our eyes
 Worlds of chances passing by

REPEAT CHORUS (seem to be drifting)

You could wait forever, Lord I can t do that
 Spend a lifetime looking back
