

In Between
Jude

The chorus is a little shaky. The A# s are technically correct, but a lot of the time you can interchange them with Dm s with little issue. This tab has room for improvement, I think. Let me know what you think. I love this song.

G Dm F C

Well I knew a dealer, dan, and heâ€™d say
 Donâ€™t worry â€™bout me - 
Iâ€™m never gonna fit the plan 
And Iâ€™ll never work for free 
And then he spent some time in a state penitentiary
 I believe he made ten cents an hour  

And I knew a girl in college
 Sweet as the summer sun
 Never worried â€™bout books and knowledge
 She was having too much fun 
And I hear these days sheâ€™s living at home with a three year old son
 Reading up on women taking power 

G **A#** 
The trees grow high
C **A#** 
And the leaves they grow green
G **A#** **C** **D**
 And me oh my all the things that I have seen
G **A#** 
Donâ€™t be surprised little bro
C **A#** 
When the world turns out mean
G **A#** **C** **A#** 
Life is what happens in between 

G Dm F C 
Well I know a man, old man, about ninety five
 He could hardly see nor stand 
But he was goddamn glad to be alive 
And he said, hey son go and taste of life! 
Get in your car and drive. 
And thatâ€™s exactly what I do  

But out here on the road
 You know a man leads a simple life 
Donâ€™t carry no heavy loads 
And he donâ€™t get time for a lady or a wife 

But sometimes the stars I'm followin'  
Well they don't shine so bright  
And that's when I wish I was home with you    

G **A#**  

The trees grow high

C **A#**  

And the leaves they grow green

G **A#** **C** **D**

  And me oh my all the things that I have seen

G **A#**  

Don't be surprised little bro

C **A#**  

When the world turns out mean

G **A#** **C** **A#**  

Life is what happens in between  

G Dm F C  

Well you remember our dad, remember what he said?  

He said, this here's a family,

  Gonna be together 'til we're dead  

Ten years and two homes ago

  It ain't quite what turned out to be

  And I still hear those words  

They ring and ring and ring inside of me

G **A#**  

The trees grow high

C **A#**  

And the leaves they grow green

G **A#** **C** **D**

  And me oh my all the things that I have seen

G **A#**  

Don't be surprised little bro

C **A#**  

When the world turns out mean

G **A#** **C** **A#**  

Life is what happens in between
