

**My Man On Love**  
**Judee Sill**

**C/D**                    **G**                                    **Em**   **Au2028**  
One star remains in the false darkness,  
**C/E**                    **C/D**                    **G**  
Have you met my man on love?  
u2028**C/D**                    **G**                                    **Em**   **Au2028**  
One truth survives deathâ€™s silent starkness.u2028  
**C/E**                    **C/D**                    **G**  
Have you met my man on love?u2028u2028

**Gmaj7/D**                    **C/D**  
No sorrow is like yours my friend,u2028  
          **C**                                    **G/B**    **G/A**    | **G**   **G/F#**  
Though silence is your tomb.u2028  
**Em**                    **G7**                    **C**                    **G/B**  
Iâ€™d take your every agony tou2028  
**Am7**                                    **C/D**  
Save you from this doom.u2028u2028

**C/D**                    **G**                                    **Em**   **Au2028**  
But one star remains in the false darkness,  
u2028**C/E**                    **C/D**                    **G**  
Have you met my man on love?  
u2028**C/D**                    **G**                                    **Em**   **A**  
u2028One truth survives deathâ€™s silent starkness.u2028  
**C/E**                    **C/D**                    **G**  
Have you met my man on love?u2028

**Gmaj7/D**                    **C/D**  
In your eyes is an echo ofu2028  
**C**                                    **G/B**    **G/A**    | **G**   **G/F#**  
What once was passion, my friend.u2028  
          **Em**                    **G7**                    **C**                    **G/B**  
If I cried out loud, could you hear these words,u2028  
          **Am7**                                    **C/D**  
Resurrection waits within .

**C/D**                    **G**                                    **Em**   **Au2028**  
One star remains in the false darkness,  
**C/E**                    **C/D**                    **G**  
Have you met my man on love?  
u2028**C/D**                    **G**                                    **Em**   **Au2028**  
One truth survives deathâ€™s silent starkness.u2028  
**C/E**                    **C/D**                    **G**  
Have you met my man on love?u2028u2028

u2028                    **B7+9**                    **C**                                    **G**  
Most high, most high, my man on love.

u2028

**B7+9**

**C**

**G**

Most high, most high, my man on love.
