**Fmaj7** **G**  
Is this a game you re playing?  
**Fmaj7** **G**  
I don t understand what s going on  
**Fmaj7** **G**  
I can t see through your frown first you re up then you re down  
**Fmaj7** **G**  
You re keeping me from someone I want to know  
**Am** **Fmaj7** **G**  
But I need you tonight (need you tonight)  
**Am** **Fmaj7** **G**  
Yes I need you tonight (need you tonight)  
**Fmaj7** **Am** **G** **F/C** **Fmaj7**  
And I ll show you a sunset if you stay with me till dawn

(**Fmaj7**, **G** X 2)

**Fmaj7** **G**  
It s the same old situation  
**Fmaj7** **G**  
Every word so finely placed  
**Fmaj7** **G**  
Running around my concentration  
**Fmaj7** **G**  
Is the feeling that I ve just got to break out and say  
**Am** **Fmaj7** **G**  
Oh I need you tonight (need you tonight)  
**Am** **Fmaj7** **G**  
Yes I need you tonight (need you tonight)  
**Fmaj7** **Am** **G** **F/C** **Fmaj7**  
And I ll show you a sunset if you stay with me till dawn

(**Fmaj7**, **G** X 5)

**Fmaj7** **G**  
Is this a game you re playing?  
**Fmaj7** **G**  
Playing with my heart (need you tonight)  
**Fmaj7** **G**  
Oh stop playing with my heart (need you tonight)  
**Fmaj7** **Am** **G** **F/C** **Fmaj7**

And I ll show you a sunset if you ll stay with me till dawn

(Fmaj7, G X 2)
