

Cant Be With You Tonight
Judy Boucher

G **D**
If my love wasnt here with me tonight
C **G**
I would leave with you for just a little while
D
But I love him the same way as I love you now
C **G**
And Im sorry I cant be with you tonight

G **D**
Though I want to hold you in my arms tonight
C **G**
I wouldnt take the chance cause it wont be right
D
Maybe when we meet again some other time
C **G**
Cause tonight Ill only share my love with him

C **D** **E**
So please understand my situation
C **D** **G**
I love you, but I cannot be with you
C **D** **E**
If I could be in two places at the same time
C **D** **G**
Believe me, I would share my love with you

So please understand my situation
I love you, but I cannot be with you
If I could be in two places at the same time
Believe me, I would share my love with you

Believe me, I would share my love with you
Believe me, I would share my love with you
Believe me, I would share my love with you
