An absolutely beautiful song by Judy Collins Enjoy!

Some strange chords but easy shapings and transitions using the chord shapes below

and not the automated ones!!:0)

Also the B7 chord is interchangeable with a normal B chord - I prefer B7 as it s

an easy transition from the D9 chord before it.

Intro: **Em Bm C F Esus.4**

Em9 **Bm7**
What I ll give you since you asked
G **Asus.4** **A7**
Is all my time together;
Em9
Take the rugged sunny days,
G **Asus.4** **A7**
The warm and Rocky weather,
Am7 **D9** **Am7**
Take the roads that I have walked along,
D9 **B7**
Looking for tomorrowâ€™s time,
Gsus.A
Peace of mind.

Em9 **Bm7**
As my life spills into yours,
G **Asus.4** **A7**
Changing with the hours
Em9

Filling up the world with time,

G **Asus.4** **A7**

Turning time to flowers,

Am7 **D9**

I can show you all the songs

Am7 **D9** **B7** **Gsus.A**

That I never sang to one man before.

G6 **A9sus.4**

We have seen a million stones lying by the water.

G6

You have climbed the hills with me

A9sus.4 **A9**

To the mountain shelter,

Am7 **D9** **sus.4**

Taken off the days one by one,

Am7 **Fmaj9**

Setting them to breathe in the sun.

Em9

Take the lilies and the lace

G **A9sus4** **A7**

From the days of childhood,

Em9

All the willow winding paths

G **A7sus.4** **A7**

Leading up and outward,

Am7 **D9**

This is what I give,

Am7 **D9** **B7**

This is what I ask you for;

Gsus.A

Nothing more.
