INTRO: **D A G..D A G**

#1.

D **A** **Bm**
Once I had a heart cold as ice.
G **Bm** **A**
Love to me was only for fun.
G **Bm** **F#** **G**
I d make a mark, for each broken heart,
D **A** **G** **A**
Like notches on the butt of a gun.

#2.

D **A** **Bm**
Once I had a trick up my sleeve.
G **Bm** **A**
And a reputation all over town.
G **Bm** **F#** **G**
I was heartless and cold, wherever I d go,
D **A** **G** **A**
and shot down every young boy I found.

CHORUS:

A **G** **D**
Yes, I used to be a moonlight bandit.
A **D**
I used to be a heartbreak kid.
G **D**
Then I met you, and the next thing I knew,
Bm **G** **D** **D A G..D A G**
there I was...oooh, shot full of love.

#3.

D **A** **Bm**
Well, who d have thought someone like you,
G **Bm** **A**
could take a desperado like me?
G **Bm** **F#** **G**
But, oh, here I am, I m as meek as a lamb,
D **A** **G**
with my bleeding heart there at your feet.

CHORUS:

A **G** **D**

Yes, I used to be a moonlight bandit.

A **D**

I used to be a heartbreak kid.

G **D**

Then I met you, and the next thing I knew,

Bm **G** **D** **D A G..**

there I was...oooh, shot full of love.

INTERLUDE: **D A D G Bm A**

CHORUS:

A **G** **D**
