

Somebody

C Am G
I want it, I need it, I want somebody
C Am G

I don t want any more doors
F G Am
Cause I m walking on string

They only slam anymore
F G Am
Like we re pulling out teeth

C C/E F
I could just see your eyes
F G Am
Just above his shoulder
C C/E F
And you were scanning the skies for me, I dreamt
F G Am
Like you were some long forgotten soldier
C G
Like I was someone that you cared for

I want it, I need it
F-E-F-E-F-E Am G

C C/E F
I don t want any more heartbreak
F G Am
I m tired of the sound it makes
C C/E F
Like trying to shut out the dark at night

F G Am

You close your eyes but it won't erase

C C/E F
And you were walking beside
F G Am
Some other person's shadow
C C/E F
It was more than I could take
F G Am
I wouldn't see what I couldn't know
C G
That there might be somebody after me

I want it, I need it
F-E-F-E-F-E Am G
I want it, I need it, I want somebody
F-E-F-E-F-E Am G
I want it, I need it, I want your eyes to turn
F-E-F-E-F-E Am G
I need it, I want it, I want somebody

C-C/E-F-G-Am X 2

C C/E F
I need that new vacation
F G Am
Where nothing that's spoken is known
C C/E F
Let the winter be my station
F G Am
I'll let the cold teach me what to know
C G
That there might be somebody after me

C

F-E-F-E-F-E Am G
I want it, I need it, I want somebody
