My ranshackled mind searched out old Jerome

B7 Em B7 Em
Said I told you once I ll tell it to you twice

She s got to quit or quench her thirst
Am D
For that poison paradise
G B7 Em
She s got to choose never again or forever
C G B7 Em
She s got to let it break at the ends or say forever
C G
But I feel so dark inside
B7 B7 Am D
That I m clinging to the smallest light
G C Cm G D
And I can t hang on and I can t hang on
B7 Em
It was harvest at the Hazeltown farm
B7 Em
And in the fields we d meet meet
C G Am D
I could feel the pods I know the peas inside were sweet
B7 Em B7 Em
But soon I saw her deceptions for the little lies they were
C G Am D
And I was making all my plans depended upon her
G B7 Em
She s got to choose never again or forever

C **G** **B7** **Em**

 And I can t hang on and I can t hang on
F **G** **C** **Am**
 I don t know what draws the bee into the flower
F **G** **C** **Am**
 But she s the blackest rose

 I got a hard time just seeing thru the clouds

 That hang on her wherever she goes
B7 **Em** **B7** **Em**
 Poison paradise served up with the twist
C **G**
 I held it in a bottle

 It s right there in the ingredients list

 I can t talk anymore and I can t walk away
C **G**
 I swore my ultitatum

 And I fear that it s too late
G **B7** **Em**
 She s got to choose never again or forever
C **G** **B7** **Em**
