

A Light To Call Home
Julia Brennan

[Verse 1]

G
Scars, that s all I have
G **D**
Pain, that s all I feel
G
People stop and stare
G **D**
But they have no idea
Em
And through these tears
D
And through this pain
Em **D**
I will stand once again

[Chorus]

Em **C**
Cause I may be homeless, but not hopeless
G **D**
Fatherless but fearless
G **D**
I ve got myself, I ve got my freedom
Em **D**
But I m searching for my home
Em **C**
Cause I am hurting, but not helpless
G **D**
Full of strength and scars
Em **G**
I m out here in the darkness
G **D**
Looking for a light to call home
G **D**
Looking for a light to call home
