Heaven
Julia Michaels

```
Gm      D    F      C
Ooooh... ooooh
Cm       Bb         D
Oooooh
```

```
Gm
Love s my religion
      D
But he was my faith
F
Something so sacred
      C
So hard to replace
Cm                            Bb                D
Fallin  for him was like fallin  from grace
Gm
All wrapped in one
          D
He was so many sins
F
Would have done anything
C
Everything for him
Cm
And if you ask me
          Bb
I would do it again
```

```
   D            Eb    Gm
No need to imagine
                      F
 Cause I know it s true
         Eb             Gm
They say  all good boys go to heaven
      F
But bad boys bring Heaven to you
      Eb      Gm
It s automatic
                   F
It s just what they do
         Eb              Gm
They say  all good boys go to heaven
    D                        Gm
But bad boys bring Heaven to you
```

```
                   D
You don t realise the power they have
```

```
F                             C
Until they leave you and you want them back
Cm                            Bb              D
Nothing in this world prepares you for that
Gm
I m not a sinner
      D
He wasn t the one
F                   C
Had no idea what we would become
Cm
There s no regrets
       Bb            D
I just thought it was fun

   D        Eb   Gm
No need to imagine
                    F
 Cause I know it s true
         Eb          Gm
They say  all good boys go to heaven
     F
But bad boys bring Heaven to you
      Eb      Gm
It s automatic
                  F
It s just what they do
         Eb          Gm
They say  all good boys go to heaven
     D                         Gm   D   F   C   Cm   Bb   D
But bad boys bring Heaven to you

 Gm                      D
I still remember the moment we met
     F
The touch that he planted
      C
The garden he left
Cm                       Bb
I guess the rain was just half that effect

   D        Eb   Gm
No need to imagine
                     F
 Cause I know it s true
         Eb          Gm
They say  all good boys go to heaven
     F
But bad boys bring Heaven to you
     Eb      Gm
It s automatic
                  F
It s just what they do
```

```
         Eb                Gm
They say  all good boys go to heaven
    D                            Gm   D   F   C   Cm   Bb   D
But bad boys bring Heaven to you

Gm      D    F      C
Ooooh... ooooh
Cm      Bb      D
Oooooh
```
