[Intro] Dm C
Am G

Dm
Stay right there, get away
C
I need space, I told you yesterday
Am
Slow the pace down, but then I see your face
G
Can we do that tomorrow? (Can we do that tomorrow?)
Dm
Cause now you're moving in on my skin
C
I move back with my lips
Am
It goes against my better judgement
G
Cause I, cause I want it, ah
Dm
And I'm gonna be cliché here for a minute
C
And tell you that I've been hurt before (hurt before)
Am
So I think I'm gonna need another minute
G
To not hurt no more (no more)
Dm
Cause all I do is jump right into your arms
C
Every time I see you, I just wrap myself around you, yeah
Am
Jump into something real
G
Even though I'm cautious, I just like the way it feels
Dm
When it's us, baby, when it's us
C
You make me forget that I'm not ready for love
Am G
I jump, oh, I jump
Dm
Look at me being soft
