

There's No Way (part. LAUV)

Julia Michaels

**G**  
You touch me and it s almost like we know  
**D A Bm**  
That there will be history between us two  
**G**  
We knew someday that we would have regrets  
**D A**  
But we just ignored them the night we met  
**Bm G**  
We just danced backwards into each other  
**D A Bm**  
Trying to keep our feelings secretly covered  
**G**  
You touched me and it s almost like we knew  
**D A**  
That there would be history  
  
**Bm G D**  
But there s no way that it s not going there  
**A**  
With the way that we re looking at each other  
**Bm G D**  
There s no way that it s not going there  
**A**  
Every second with you, I want another  
**Bm G**  
But maybe we could hold off for one sec  
**D A**  
So we could keep this tension in check  
**Bm G D**  
But there s no way that it s not going there  
**A Bm**  
With the way that we re looking at each other  
  
**G**  
I wish I could make the time stop  
**D A Bm**  
So we could forget everything and everyone  
**G**  
I wish that the time would line up  
**D A**  
So we could just give in to what we want  
**Bm G**  
Cause when I got somebody, you don t  
**D A Bm**  
And when you got somebody, I don t  
**G**

I wish that the time would line up

**D A**

So we could just give in

**G**

**D**

But there s no way that it s not going there

(It s not going, it s not going there)

**A**

With the way that we re looking at each other
