

Fear Loves This Place
Julian Cope

Intro

Am C G G F# F Am x 2

Am **C** **G** **G** **F#** **F** **Am**
So a man struck a woman again
Am **C** **G** **G** **F#** **F** **Am**
and a veil descended from above,
Am **C** **G** **G** **F#** **F** **Am**
the reasons they cried out but it was no time for crying,
Am **C** **G**
it was the shaking of the world.

D **Am** **C** **D**
We re living one hell of a heaven,
D **Am** **C** **D**
Deliver one world at one take.
D **Am** **C** **D**
You hear me crying out, yeah yeah I m praying
D **Am** **C** **D**
Fear loves this place.

G **F#** **F** **Am**

Am **C** **G**
Sheer determination, I walk those miles,
Am **C** **G**
pitiful, microscopic nobody.
Am **C** **G**
Woman, even the night is keeping me alive.
Am **C** **G**
One is gone and one is back.
Am **C** **G**
The little sister cries and the babe lies on the doorstep,
Am **C** **G**
along with something that you lack.

D **Am** **C** **D**
We re living one hell of a heaven,

D Am C D
Deliver one world at one take.
D Am C D
You hear me crying out, yeah yeah I m praying
D Am C D
Fear loves this place.
