

Metranil Vavin
Julian Cope

From World Shut Your Mouth - 2nd track.
Very simple song, nevertheless it s brilliant.

I d like to give you this simple fill, which is used in the verse patterns, when
there s no singing...

```
E|-----|
B|-----|
G|-----| x4 (you ll hear that)
D|-5h7p5-4-5-7---4-----|
A|-----5---|
E|-----|
```

D **C**
A child that s born in pain

D **C**
Kicked from the fires, I landed in obscurity

D **C**
I cry again

D **C**
Nine times I m bleeding in my purity

[chorus]

Bb **F**
Metranil dreams of becoming a neon

Bb **F**
You don t ever take him seriously

C **G**
How am I going to get to heaven

C **G**
When my life s balanced so precariously

[opening fill]

For the rest it s all the same chords

Fame takes down it s clothes
Looks for the smallest of inhabitants

Hell, I suppose
Y know me I wasn t made for arrogance

Once I was pride
Lived in the sweetest dreams of foolishness
Lines etched on my face
Seek a path but never *I m too lazy to search the CDs lyrics sheet...*
