

Wheelbarrow Man  
Julian Cope

Verse

G D A  
Yeah, Yeah, I m the Wheelbarrow Man  
G D A  
There really is no other  
G D A  
Yippie ti, oh hurray, hurray!  
G D A  
I made up with my brother!

G D A  
Yeah, Yeah, I m the Wheelbarrow man  
G D A  
I m foaming, gurgling, dribbling  
G D A  
Family lies and family ties  
G D A  
And hugging with my sibling

G D A  
Yeah, Yeah, I m the Wheelbarrow Man  
G D A  
There really is no other  
G D A  
Standing on the corner and driving in my town  
G D A  
All royalty I would smother

G D A  
No, no, not alone Barrow Man  
G D A  
Turn within the mother  
G D A  
I m coming out of Wessex with potatoes in my ears  
G D A  
I made up with my brother
