

**World Shut Your Mouth**  
**Julian Cope**

ok, so im sick of the world not having any Julian Cope songs tabbed out.

so ive taken to finding the chords on my own.

i tabbed this one from his live album Live Japan 91

i recently heard Death Cab for Cutie cover this and i want to murder that band.

Chords are as follows. its easy, just barre 7 and jump around with your other 3

heres all the lyrics, but i only showed you 1 verse and 1 chorus, cause its just that easy.

the strumming pattern and sing over it.

**B, Emaj7, Asus2**

Intro: B, Emaj7, Asus2, Emaj7 x3 then change rhythm, repeat x 4

**B**                    **Emaj7** **Asus2**    **Emaj7**  
She s flying in the face of fashion now  
**B**                    **Emaj7**            **Asus2** **Emaj7**  
She seems to have a will of her own  
**B**                    **Emaj7**    **Asus2**    **Emaj7**  
She s flying in the face of fashion now  
**B**                    **Emaj7**    **Asus2**    **Emaj7**  
She seems to have it all chromed

The time was going so frequently  
She said if I try harder again  
She s flying in the face of fashion now  
She sells the world annually to a friend

**B**        **Emaj7**    **Asus2** **Emaj7**    **B**  
She sings World, shut your mouth, shut your mouth  
**Emaj7**                    **Asus2**            **Emaj7**    **B**  
Put your head back in the clouds and shut your mouth  
**Emaj7**    **Asus2** **Emaj7**        **B**  
World, shut your mouth, shut your mouth  
**Emaj7**                    **Asus2**            **Emaj7**    **B**  
Put your head back in the clouds and shut your mouth

She always used to live so secretly  
She'd be seen in and out of the sound  
She's taking on the role of the four winds now  
She's having tea there out in the crowd  
She's flying in the face of fashion now  
She seems to have a will of her own  
In lieu of what you're saying so frequently  
She seems to have, it all adds up

-much love to Julian Cope-

..this is like my first published tab :D :D
