Day After Day, written by Julian Lennon.  
Transcribed by James at www.sunnyview.force9.co.uk

**F** **C**  
I have walked through the fire as an ordinary man.  
**F** **C**  
And if I die, I ll die in peace, part of all that God has planned.  
**C** **Am** **D** **G** **C**  
Cause I believe in you and if my prays are answered now,  
**C** **Am** **D** **G** **C** **Cmaj7** **C**  
I m coming back to you, I m gonna find a way somehow.

And in our dreams everynight, I see the waves upon the sand.  
And you and I walk along and there s a ring upon your hand.  
Cause I believe in you and the best is yet to come.  
You ve been alone, it s true, daddy s work is never done.Fm

Chorus.

**C** **Am7** **Am** **Am/G** **F/Am** **F** **Fm** **C**  
I m making my way, each morning I pray for you, day after day.  
**C** **Am7** **Am** **Am/G** **F/Am** **F** **Fm** (hold)  
I ll turn every stone, till I get home to you, day after day.

3.

Where you are is all there is, the only place I want to be.  
Love is warm and warm is cold when you?re so far across the sea.  
Still I m alive, still in love, I hope this weather finds you well.  
Through the blood, through the flames, I could hear those wedding bells.

Chorus.

Middle eight.

**F7** **G#7** **Bb** **Bb7**  
Darling you know the wheels of peace are a going  
**Bb** **F**  
They said the answers written in the wind.  
**F7** **G#7** **Bb**  
Still I can hear the fallen angel singing,

**Bb9**(hold chord)

Our love is stronger than the million miles that seperate us.

Instrumental break. (using music for chorus)

Chorus. (Hold last Fm chord)
