cos lately, I don t know what to do.

I don t wanna know what s going on

and I don t wanna know what s right or wrong

and I don t wanna know who s bed you re in

and I don t wanna know just where you ve been.

Oh baby, you said you re changing for the better now

just maybe, you re not as strong as you thought somehow

and baby, you know you re heading down a one way track

and baby, I won t bring you back.

Em

Well, you said you were looking for a better way

Gm

D

but you just keep coming back

Em

to a place you can never seem to get away

Gm

D

that will always hold you back...

Oh baby, you said you d rather be a daddy s girl,

but lately, you re try n a fight against the whole wide world

just maybe, you ve found a love that you can hold on to

and baby, I pray for you.

I don t wanna know what s going on

and I don t wanna know what s right or wrong

and I don t wanna know who s bed you re in

and I don t wanna know just where you ve been...
