

Jimmy Dean And Steve McQueen

Jimmy Dean and Steve McQueen

**G** **Bm7**  
The world has gone and changed on me  
**D** **C**  
Destroyed my whole philosophy  
**G** **Bm7**  
My faith was strong it never shook  
**D** **C**  
One levee break was all it took  
**Am** **D**  
Can we roll away  
**G** **Em**  
into a sunset fading on a silver screen?  
**Am** **D**  
Can you show the way?

**G** **Bm7**  
Georgie sold us out today  
**D** **C**  
For a pair of sneakers and a full week s pay  
**G** **Bm7**  
The landlord wants me out of town  
**D** **C**  
Or else he gonna put you in the ground  
**Am** **D**  
Can we run away  
**G** **Em**  
To where blue skies make up all the scenery?  
**Am** **D** **D#m7** **B5**  
Can you show the way?

Chorus

**Em** **Bm** **C** **Am** **Bm**  
Save me Jimmy Dean, save me Steve McQueen  
**Em** **Bm** **C** **Am** **Bm**  
Wake me from this dream, show me what it means  
**Em** **Bm**  
Three runs down in the bottom of the ninth  
**C** **Am** **Bm**  
If I could pick two guys to be on my side  
**C** **D**  
It would be Jimmy Dean & Mr. Steve McQueen

The world is getting awful strange  
People get their faces rearranged  
High cheekbones and a plastic nose

But I liked Mike when he was 10-years old  
Can we turn it back  
To the time inside our parents' photographs?  
Can you bring it back?

Chorus

**Em** **Bm** **C** **Am** **Bm**  
Save me Jimmy Dean, save me Steve McQueen  
**Em** **Bm** **C** **Am** **Bm**  
Wake me from this dream, show me what it means  
**Em** **Bm**  
Three runs down in the bottom of the ninth  
**C** **Am** **Bm**  
If I could pick two guys to be on my side  
**C** **D**  
It would be Jimmy Dean & Mr. Steve McQueen

**F** **Em**  
Just tell me yes or no  
**F** **G**  
How does this story go?  
**Am** **Bm**  
Whether we take it fast or we take it slow  
**C** **D** **D#m7 B5**  
I hate to ask, but there's one thing I've got to know

The world has gone and changed on me  
The way things were will never be  
1 and 2 came crumbling down  
We act as if they're still around  
Can we move ahead  
And forget about the images inside our heads?  
Can we wake the dead?

Chorus

**Em** **Bm** **C** **Am** **Bm**  
Save me Jimmy Dean, save me Steve McQueen  
**Em** **Bm** **C** **Am** **Bm**  
Wake me from this dream, show me what it means  
**Em** **Bm**  
Three runs down in the bottom of the ninth  
**C** **Am** **Bm**  
If I could pick two guys to be on my side

Four runs down in the bottom of the ninth  
If I could pick two guys to be on my side  
Five runs down, six runs down, seven runs down, eight runs down  
Nine runs down, ten runs down, I dunno how we're gonna turn this game around...
