HOLE IN THE SKY - Juliana Hatfield

Tabbed by:Deadroses12

Tuning:Standard

This is my first tab. Please listen to the song for strumming pattern. NOTE: The chord I identify as C7, I am not sure if that s the name of it, BUT the way to play it is to play a regular open C chord, then you lift your index finger off the B string and that s the chord.

Thereâ€™s a hole in the sky

**C** **C7** **C**

I stood and stared

**C** **G**

I feel it inside

**C** **C7** **C**

What isnâ€™t there

**C** **G**

The children are lost

**F**

We canâ€™t find them anywhere

**F** **C** **G**

Hole in the sky

**C** **F**

Iâ€™m crying for, still crying for you

**F** **C**

Hole in the sky

**C** **Am**

Iâ€™m crying, still crying for you

**Am** **F** **G**

Thereâ€™s smoke in our eyes

Itâ€™s all over town
