

I Should Care
Julie London

[Verse]

E7 **F** **Dm6** **Am7**
 I should care, I should go without sleeping
Ab **Gm** **Dm6** **Bbm7**
 I should care, I should go around weeping
Dm **A7**
 Strangely enough, I sleep well
Cm **A7**
 cept for a dream or two
Gm **F**
 But then I count my sheep well
Gm **Dm6** **D7**
 Funny how sheep can lull you to sleep
E7 **F** **Dm6** **Am7**
 So I should care, I should let it upset me
Ab **Gm** **Dm6** **Bbm7**
 I should care but it just doesn't get me
Dm **A** **G7**
 Maybe I won't find someone as lovely as you
Bb **C** **F**
 But I should care and I do

[Instrumental break]
