

Wake Up Older
Julie Roberts

[capo 3]

G

Slept in my makeup

Didn't get my teeth brushed

C

I crashed on the couch

G

And now my mouth tastes like yesterday's news

G

Well hello Jim Beam

Oh the places you've seen

C

If only you could talk

G

You'd tell me why he walked out on me and you

Em

C

G

Oh the things lovers do when it's over

Em

C

G

Oh the things lovers do when it's done

C

D

G

C

Find a cool bottle or a warm shoulder

Em

D

Wake up older

C

And try to move on

G

I drove around last night

Thinkin' bout our last fight

C

I cruised by your house

G

And all the lights were out and you were gone

G

So I found me a stranger

With his comfort and danger

C

But I thought about you

G

The whole time we were gettin' it on

Oh the things lovers do when it s over

Oh the things lovers do when it s done

Find a cool bottle or a warm shoulder

Wake up older

And try to move on

Find a cool bottle or a warm shoulder

Wake up older

Wake up older

Slept in my makeup

Didn t get my teeth brushed

I crashed on the couch and now my mouth tastes like

Yesterday s news
