G

Will I ever know, will it ever show

Em7

It s you and me

Cadd9

Can we ever tell

G

All I know I ve never felt this way

G

Everthing I ve dreamed

Em7

Seemed so far away until this day

Cadd9

Now you re by my side and it feels so right

Em

D

Bm

It may seem like all of this is kind of crazy

C

I don t know

Em

D

Who knows what the future holds

C

D

- this I know for sure

G

I wanna shout

Cadd9

G

I wanna tell the world that everything s allright

Cadd9

I wanna hold you, baby, close to me

Em D

C

All through the night

C

D

G

When it s dark our love will be the light

G

Will I ever know, will it ever show

Em7

Let s wait and see

Cadd9

It ll take some time

G

But I m sure that we could be just fine

G

Are you the one for me, is that what they see

Em7

Is that a sign

Cadd9

We can take it slow, give love some time

Em

D

Bm

It may seem like all of this is kind of crazy

C

I don't know

Em

D

But I think our love could be forever

C

D

Should've met you long ago

G

I wanna shout

Cadd9

Em D C

All through the night

C D F

When it's dark our love will be the light

F G

Ever since you came into my life

F G

I've been feeling more alive

F

Em D C

Now that I found that real love never dies

Em D C

Could be you and I

G D C

I just hope that this time it's right

Em D C G

I wanna hold you all through the night

D C

I just wish that this love is right

Em D C

I wanna be with you day and night
