

Sour Breath
Julien Baker

[Intro]

B B B B x2

[Verse 1]

B

I know you do better when you re by yourself

B

Free from the weight of my dirt poor health

E Emaj7

New drugs to fix all my missing cells

E E G#

Didn t bring it up, cause I ve done so well this week

G#m

And I thought that if I tried a little bit harder you d change your mind

Emaj7

I ve still got nowhere to be, and I don t do too well; nobody s worried

Bmaj7 B

When nobody s worried about me

[Interlude]

B Emaj7

[Verse 2]

B

But I shouldn t have built a house in the middle of your chest

E

Plywood boards joined at your breast

B

Splinter in my arm where you rest your head

E

Checking my watch till you come to bed

B

Kiss me goodnight with your sour breath

E

B

Breaks on my face like a wave of emptiness

B

And when I talk just taste regret

N.C.

You re everything I want and I m all you dread

[Verse 3]

G#m B

Watch the poison leak from your pores

Think all the liquor s gonna keep you warm

E

Burn everything down to prove you could

G#m

Leave me inside in a body made of wood

E

In a body made of wood

[Outro]

B

Oh, the harder I swim, the faster I sink

B

The harder I swim, the faster I sink

E **Ema j7**

The harder I swim, the faster I sink

Bma j7

The harder I swim, the faster I sink

G#m

The harder I swim, the faster I sink

G#m

The harder I swim, the faster I sink

E

The harder I swim, the faster I sink

N.C.

The harder I swim, the faster I sink
