

Until I Stay
Jully Black

Hey all, no guarantees on this one guys, Iâ€™m going from memory - not ear so make where you need to because itâ€™s adjusted to my vocal range. Im iffy about the F chord but I think of a better option and apparently no one posts Canadian R&B up on hereâ€™| boo urns.

Capo 2
Standard Tuning

[Em] [D] [G]
My eyes are open in bed
[D] [G]
There s somethin I never said
[D] [F]
Won t come out of my mouth
[Em] [D] [G]
I should be thinking of you
[D] [G]
But there s someone else instead
[D] [F]
There s so much to figure out

[Chorus]
[Em] [G]
I thought of letting go
[D] [F]
But my mind won t let me
[Em] [G] [F]
My heart will never know what s true
[Em] [G] [D] [F]
I just never thought I d find a reason
[Em] [G] [F]
To keep me comin back until I stay

[Verse 2]
[Em] [D] [G]
When we re out on the street
[D] [G]
There s a perfect you and me
[D] [F]
They believe what they see
[Em][D] [G]
Way down underneath
[D] [G]
you re a stranger to me
[D] [F]

I m in this too deep,
[Em] [D] [F]
love s getting harder to keep

[Chorus]

[Em] [D]
My mind, my heart

[F]
Has never been so far apart

[Em] [D]
We knew from the start

[F]
It was bound to fall apart

[Em] [D]
I stay, I leave

[F]
It s never gonna change for me

[Em] [G] [F]
Keep me comin back until I stay

[Chorus]

Repeat to fade
