(Capo 2)

And the [C]one step and he s [C/B]sliding
And the [Am]two steps and she s [Am7]gliding
[F]3 and the 1 [C]and the 2
And then they [Dm]float [C]in the [G]air

Side to side and she shows him
Back and forth cause she knows him
Round and round again
All that see them can t help but stare

Cause [Dm]everyone [C]knows they re in [G]love
[C]Everyone [B]knows they re in [A]love
Yes and [Dm]everyone [C]knows they re in [G]love
By the way they dance

Cheek to cheek cause he needs her
Hand in hand as he leads her
Face to face cause they know
They ll never dance alone

Cause everyone knows they re in love
Everyone knows they re in love
Yes and everyone knows they re in love
By the way they dance

By the [Am]way she moves in [C]surrender
[F]Ever so sweetly she [G]wins him completely
By the [Am]way he holds her so [C]gracefully
The [F]hand that he lends her is [G]able and tender
[Dm]Never a [C]step to [G]chance
Cause [Dm]everyone [C]knows they re in [G]love
By the way they [C]dance

[music break]

Cause everyone knows they re in love
Everyone knows they re in love
Yes and everyone knows they re in love
By the way they dance (x2)
