Hold You Down
Jump, Little Children

Fm G5 G#
She wore out the feeling
Fm G5 G#   Bbm
With a tender killing
Fm G5 G#
She paid for the blackout
Fm G5 G#   Bbm
I saw it rolling in

Fm G5 G#
Was I, was I
Bbm   Bbm Fm
Watching over you, or just
Bbm   Bbm Fm
Watching you fall apart

Fm   G5 G#   G5 Fm   G5 G# Bbm
 Did I, did I lend a hand to hold you down
Fm   G5 G#   Bbm C#   C
 Or just a hand to hold?
Fm   G5 G#   G5 Fm   G5 G# Bbm
 Did I, did I pull the wool over your eyes
Fm   G5 G#   Bbm C#   C
 Or keep you from the cold?

Fm G5 G#
She came with a warning
Fm G5 G# Bbm
She left with the morning
Fm G5 G#
An eye on the doorway
Fm G5 G#   Bbm
A scar in the early light

Fm G5 G#
Was I, was I
Bbm   Bbm   Fm
Hanging on a word
   Bbm   Bbm   Fm
Or was I just a messenger

Fm   G5 G#   G5 Fm   G5 G# Bbm
 Did I, did I lend a hand to hold you down
Fm   G5 G#   Bbm C#   C

```
 Or just a hand to hold?
Fm       G5 G#      G5 Fm              G5  G#  Bbm
 Did I, did I pull the wool over your eyes
Fm         G5  G#        Bbm C#    C
 Or keep you from the cold?

Bbm     G# Fm   C#
And every look upon your face
Bbm    G# Fm   C#
There was an element of grace
Bbm    G# Fm   C#
Did I read between the lines?
Bbm    G# Fm   C#    G#   Bbm
Or erase?
