```
        Dm                      G
Oh, they took away the love inside me
     Dm                   G
That memory will always ride me
     Dm                  F               C
They broke my heart and I could not stand the pain

         Dm                    G
Oh, they tried to make me crawl behind them
     Dm                   G
They even tried to break my mind in
     Dm                        F          C
They grabbed my pride and they threw it in my face

        F    G
Hallelujah freedom
    G/D  C
Freedom  day
         F    G
Hallelujah freedom
    G/D  C

         F    G
Hallelujah freedom
   G/D  Bb   F   C          Bb   F   C
Freedom  mine...

        Dm                     G
Oh, for many years I suffered sad times
     Dm                    G
And in return I gave them bad times
  Dm                 F               C
I worked so hard the sweat ran through my veins
       Dm                 G
Oh, and then my day came to leavin
       Dm                       G
```

```
I could tell by their smile it grieved them
      Dm                      F                      C
But I held my head and I walked right through the door

          F   G
Hallelujah freedom
