

Ghost Of Tom Joad
Junip

This is from a live video. My theory s not very good, but the fingerings are all correct.

capo on 6th fret, not sure about the tuning, just experiment with it.

When playing the **Asus4** part, try experimenting with hammering on and off the two strings you are playing with your middle two fingers. it can sound really cool. You can get the rhythm from listening to the song, its not too hard.

Hot soup on a campfire under the bridge

Shelter line stretchin round the corner
Welcome to the new world order
Families sleepin in their cars in the southwest
No home no job no peace no rest
