

Gothic Love (Urban Blues)
Júpiter Maçã

[Intro] A F#m A E

A

Died once before and die again

F#m

This time to live forever

A

Like human bats that escaped to the cave

E

Running from the grave

A

Check out your pockets

F#m

And find one coin or two to pay me coffee

A

I have this weird stories to tell you

E

Urban blue

A

Oh, gothic love

F#m

The spirits in the gardens of old Europe

A

The castels and the stones will fill our hearts

E

Will you feel apart?

Em

Oh, touch the ground

A D Em

And listen to cathedral s bells around you

A D

Iced galleries

G#

Hold me lady

A

How long have you been dead?

C#m Bm E

For how long you to decided to be mine?

(A F#m A E)

A

Follow your heart

F#m

While falling tears have washed the way of sorrows
That stream of darkness shows the moon that shines
Makes us feel so fine

I can't believe the things you say
When I have start to dream on

The dream that hits me to the reasons why
Sometimes makes me cry

Oh, touch the ground
And listen to cathedral's bells around you

Iced galleries

Hold me lady

How long have you been dead?

For how long you to decided to be mine?

Oh, gothic love

We die again this time to live forever

Like human beast that escaped from the rules

Urban blue

[Final] A F#m A E A
