Head-Head... Head-Head...

Head-Head... Head-Head...

(D G)

The drustore motorider cat is not getting here by four

he should be bringin your medications to put

your mind in form

(D G)

Head-Head...

(D G)

Even me on the telephone got no settin home

even me in my cool calm you down didn t

get return

and I say...

D G D G A

Head-Head is not the place of your mind

(D G)

Head-Head...

D G D G A

Head-Head is not the place of your mind

(D G)

What makes life easy or hard except when

people start gettin closer to their obsessions

nervous breakdown reactions

Head

(D G)

The moon is brightening through any window

the last kiss before the pill

My tongue is runnin over there I think it s a

touch to share

and I say...

D G D G A

Head-Head is not the place of your mind

(**D G**)

Head-Head...

Head-Head...
