

**Flaming Arrow
Jupiter One**

Flaming Arrow
Jupiter One

You can play A instead of *A, but I like *A more. (Though, I m not sure what the actual chord name is.)

***A:**

---0---|
---2---|
---2---|
---0---|
---4---|
---0---|

E **C**
From 12 stories high I watch the smoke against the sky
G ***A**
And the daytime turns into dark
E **C**
Now, who would ve thought - after all that kerosene I bought -
G ***A**
(That it would only) take one flaming arrow to hit the mark
E **C** **G**
(Now I just) watch your building on fire
***A**
I hate to say I told you so, but

CMaj7 **Bm7**
You build me up and you burn me down
EbMaj7 **Bb** **F**
So I take the trick you play and turn it around
CMaj7 **Bm7**
You build me up and you burn me down
EbMaj7 **F**
And you know I love to watch you rolling on the ground

E **C**
You give what you get, guess you haven t learned that lesson yet
G ***A**
(Or maybe) do I have that the other way around?
E **C**

The fire I set - I see it hasn't reached your room yet

G

***A**

(And I know you'd) never survive the fall all the way to the ground

E

C

G

(I know you) haven't replaced your alarm

***A**

Na na na na na na

E

C

G

(Now I just) watch your building on fire

***A**

I hate to say I told you so, but

CMaj7

Bm7

You build me up and you burn me down

EbMaj7

Bb

F

So I take the trick you play and turn it around

CMaj7

Bm7

You build me up and you burn me down

EbMaj7

F

And you know I love to watch you rolling on the ground

E

C

From 12 stories high I watch the smoke clear from the sky

G

***A**

And the dark day turns back to bright

E

C

Your cat licks its claws, cleans the soot from off its paws

G

***A**

And the news helicopters linger through the night

CMaj7

Bm7

You build me up and you burn me down

EbMaj7

Bb

F

So I take the trick you play and turn it around

CMaj7

Bm7

You build me up and you burn me down

EbMaj7

F

And you know I love to watch you rolling on the ground

EbMaj7

F

G

I know you love to watch me rolling on the ground
