

People Of The Mountain People Of The Ocean
Jupiter One

C **Am**
Long time ago, we went down to Mexico
F **C**
and so we stayed and so we prayed
C **Am**
Under the sun we were bound to have some fun
F **Dm** **F**
but then it rained, Oh it rained
F **G** **C** **Am**
All I d wanted was some time alone
F **Am**
With my arm around you my dear
G **C** **D**
But it was only a state of mind, you see
D7
And the people in the mountain singing...
F C Am G F
Ahhhhhhh...
F C Am G F
Mmmmmmm...
C **Am**
When we were sad we walked down the only path
F **C**
â€™til our feet were in the sand
C **Am**
Through ocean breeze the sun was only there to tease
F **Dm** **F**
Cause then it rained, Oh it rained
F **G** **C** **Am**
All I d wanted, was some time alone
F **Am**
With my heart here for you and for me
G **C** **D**
But it was only a state of mind, you see
D7
And the people of the ocean singing...
F C Am G F
Ahhhhhhh...
F C Am G F
Mmmmmmm...
