[Verse 1]

**E5** **E7**  
Teach your cigarette a lesson on the sink.  
**A**  
Iâ€™m hung down from the fencepost,  
**Am**  
like your puppy on his leash.

[Chorus]

**C#m C#m/C A**  
Unfiltered, lightheaded.  
**C#m C#m/C**  
I can smell the smoke  
**A Am Asus4 Am E**  
to where weâ€™re headed.

[Verse 2]

**E E/F#**  
No wonder youâ€™d felt so awful,  
**E/A**  
never ever go back to the waters of Omaha.  
**E E/F#**  
Little birdie blinded for a bit,  
**E/A**  
like Iâ€™d been drunk four nights out of five in the last week.

[Chorus]

**C#m C#m/C A**

Clip empty, unleaded.

**C#m C#m/C A Am Asus4 Am**

No bargain scotch, no luck in heavenâ€¦

[Verse 3]

**E**

Or hell,

**E E/F#**

I know I ainâ€™t the first.

**E/A**

Iâ€™d be damned if Iâ€™m the last.

**E E/F#**

Iâ€™ve got this pigeonâ€™s heart.

**E/A**

Youâ€™ve got an eye for emptied glass.

**E E/F#**

Some might call it â€˜widowhood,â€™

**E/A**

and some might call the cops.

**E**

**E/F#**

Oh, Iâ€™d trade all these spit-stained cigarettes

**E/A**

for your forget-me-nots.

[Chorus]

**C#m C#m/C A**

Unfiltered, lightheaded.

**C#m**

**C#m/C**

**A**

**Am Asus4 Am**

Iâ€™m breathinâ€™ unfiltered, lightheaded.

[Outro]

**F#m F#m G#m A**

Guess Iâ€™ll see you down in hell.

**Am**

Thatâ€™ll be swell.
