

**I Can Barely Breathe  
Just Surrender**

Tuning: Standard eADGBE

Chords used:

**F#** - 244322  
**G#** - 466544  
**Bbm** - x13321  
**C#/F** - 143xxx  
**Ebm** - x68876  
**C#** - x46664

Intro: **F#--G#--Bbm--** x2

Verse 1:

**F#**

Tell me girl what  
were you thinking?  
Hit me with something  
that will make

**G#**

this worth my time

**Bbm**

Take it back take  
it all back now  
Every promise I made  
was just another  
mistake with you

**F#**

Tell the truth if  
you think that  
you can take it

**G#**

But I know, you wont

**Bbm**

I never felt  
so all alone  
But when it was  
safe I turned  
my back and the  
blade came through

Refrain:

**F#**

And I can barely breathe  
And I can barely breathe  
And I can barely breathe

Chorus:

**F#** **G#**  
Stand on top of the roof top  
**Bbm**  
wondering Is it good?  
Yea it s good for jumping  
**F#** **G#**  
Take back every word you  
**Bbm**  
said Cause I can barely breathe  
(and I can barely breathe)

Verse 2:

**F#**  
Tell me now can  
you still taste him?  
Cause you know you ll  
never wash your  
**G#**  
hands of this  
**Bbm**  
Take it back take  
it all back now  
Every drunken kiss that  
landed on his  
lips from you  
**F#**  
Make a move if you  
think that you can make it  
**G#**  
But I know, you wont  
**Bbm**  
I never felt  
so all alone  
But when it was  
safe I turned  
my back and the  
blade came through

(Repeat Refrain and Chorus twice)

Interlude: F#-G#- x4, Bbm--Bbm-

Bridge:

**F#** **G#** **F#** **G#**  
Hold your tounge  
**F#**  
You know nothing  
**G#**

about this

**F#**

Don't even

**G# Bbm**

get involved

I hope you watch

as I'm falling down

Because you are the

reason I'd hit

the ground

**F# C#/F**

You could be the

**Ebm C#**

one that breaks me

**F# C#/F Ebm**

You will be the one

**C# Bbm**

that breaks me now

I hope you know that

every tear you cried

Is a memory left from

when you watch me die

You know I'll

**F# C#/F**

haunt your dreams

**Ebm C#**

With all these pieces

**F# C#/F**

you stole of me

**Ebm C# Bbm---**

Of me

(Repeat Refrain and Chorus twice)
