Am F C G

Am F C G
It seems like every year around this time
Am F C
Our bodies gravitate to what we know
G Am F
And to a place that feels like home
C G Am F C G
This time I m never letting go

F
So place my hands on your hips
G
Where we always said they fit
F G
Like two puzzle pieces locked in our favorite

Am F
Rest tonight
C G
And dream this moment
Am F
Where it s right
C G Am F
like everything I ve said about you
C G Am F
They ll never love you the way I could
C G F
They ll never love you the way I could

Am F C G
You know those words they never come out right
Am F C
But you ll laugh it off with a smile that shows
G Am F
Cause it s the only smile that knows
C G Am F C G
I swear I ll never let this go

F
So place my hands on your hips

G
Where we always said they fit
