[You can play **Em - Bm - Am - C** and repeat that]

Yeah..

Once again,

The dynamic duos is back again!

Jb, luda!

I love everything about you,

You re imperfectly perfect!

Everyone s itching for beauty

But they re just scratching the surface.

Lost time is never found,

Could the DJ please reverse it

In life we pay for change

Let s make every second worth it!

Anything could work if you work it

When people say you don t deserve it

Then don t give in, cuz hate may win some battles

But love wins in the end!

You shine just like the sun

while the moon and the stars reflect your light

Beauty evolves around you

It s only right that..

[Chorus]

People want to be loved, yeah
