Like a beautiful tree, you can light up the room

But your kind of star can't be removed
Like a beautiful carol, I get lost in your song
And I will forever sing along

On every list I've ever sent
You're the gift I'd love the best
So deck the halls and all the rest, warm me up
With your Christmas love

Hey angel in the snow
I'm under the mistletoe
You are the one you're my very own Christmas love
Tell Santa I'm cool this year
My present is standing right here
Thank God above for my very own Christmas Love

All the lovers round the world
(All the lovers round the world)
Got me singing Merry, Merry Christmas, Merry, Merry Christmas
(And Happy Holidays)
And every boy and every girl
Stay close to the ones you love
And thank God above
That you got someone this year
That can fill your heart with cheer

Hey angel in the snow
I'm under the mistletoe
You are the one you're my very own Christmas love
